Assessment

Section 1. Creation of the Lien or Personal Obligation for Assessments.

Each Class A member, by acceptance of a deed or other conveyance for any Residential Unit in the Restricted Property, whether or not it shall be so expressed in any deed or other conveyance, shall be deemed to covenant and agree to pay the Association:

(a) Annual assessments and charges, and

(b) Special assessments, such assessments to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as hereinafter provided shall be a charge on the land, shall be a continuing lien upon the property against which each such assessment is made and shall also be the personal obligation of the person who is the record owner of the property at the time the assessment fell due.

Section 2. Purpose of Assessment.

The assessments levied under this Article 5 shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the members and their tenants and, in particular, for the servicing, improvement and maintenance of the Common Area and facilities related thereto devoted to such purposes and related to the use and enjoyment of the Common Area, and for the maintenance of the landscaped entrance area or areas (the "Entrance Areas") of EAGLE GLEN, including, but not limited to, the payment of taxes and insurance thereon and repair, replacement and additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof. Also for the payment of the street lights and the maintenance of streets located in the development. Such portion of the annual assessments levied by the Association under this Article 5 as may be necessary for such purposes shall be devoted to establishing and maintaining reserves for the maintenance, repair, replacement and operation of the Common Area and facilities and the entrance area.

Section 3. Basis and Maximums of Annual Assessments.

Until such time as the Class A member shall be entitled to full voting privileges in accordance with Article 3 of this Declaration:

(a) The maximum initial annual assessment of Class A members shall be One Hundred Twenty and No/100 Dollars (\$120.00) per residential unit payable to the Association, and

(b) The Class B member shall pay whatever amount, if any, in excess of the Class A members' assessment as, in the sole opinion of the Class B member, may be necessary to maintain and manage (and only to maintain and manage, including the payment of ad valorem taxes) the Common Area.

From and after such time as the Class A members shall be entitled to full voting privileges and in accordance with Article 3 of this Declaration, the annual assessment shall be determined by the Board of Directors of the Association without regard to the maximum initial annual assessment and shall be paid by all the members; provided, however, that any assessment after the initial assessment set by the Board of the Association shall not be increased (or decreased) in any one year by an amount in excess of thirty percent (30 %) of the assessment for the year immediately prior to the year for which the increase (or decrease) is to be effective.

Section 4. Special Assessments.

Upon the affirmative vote of the holders of two-thirds (2/3) or more of the votes of those then entitled to vote of all classes of membership of the Association, the Association may levy and collect a specific special assessment so authorized for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction or unexpected repair or replacement of a capital improvement upon the Common Area, including any necessary fixtures or personal property related thereto, or for the purpose of increasing the annual assessment by an amount in excess of what is authorized by Section 3 of this Article.

Section 5. Equality of Assessment among Residential Units.

No Residential Unit within the Restricted Property shall bear a higher assessment than any other Residential Unit within the Restricted Property except that, until such time as the Class A members shall be entitled to full voting privilege in accordance with Article 3 of this Declaration, the Class B member may bear a greater or lesser assessment burden than Class A members while the Class B member may be subsidizing the Association with this obligation pursuant to Section 3 of this Article.

Section 6. Date of Commencement of Annual Assessments; Due Dates.

(a) The Association's Board of Directors shall send written notice of the annual assessment and the amount of such assessment to every member subject thereto at least thirty (30) days in advance of each annual assessment. Unless otherwise provided by the Association's Board of Directors, the entire amount of the annual assessment for each Residential Unit shall become due and payable to the Association on the 31st day of January of each year and shall be paid to the Association without further notice from the Association; provided, however, that in the event the Board of Directors shall fail to send written notice of the annual assessment to members at least thirty (30) days prior to the annual assessment period, the payment for the annual assessment shall not be due until thirty (30) days after such notice is given. The failure to notify thirty (30) days prior to the annual assessment period shall not, however, reduce the amount of the assessment due and payable.

The annual assessment shall be established on a calendar year basis and shall commence as to each member when he becomes a member pursuant to Section 2 of Article 3.

The first annual assessment payable to the Association with respect to a Residential Unit shall be adjusted according to the number of days remaining in the calendar year following the date a member becomes a member.

(b) The Association shall, upon demand at any time, furnish to any member liable for any assessment a certificate in writing signed by an officer of the Association setting forth whether said assessment has been paid. A reasonable charge, as determined by the Board of Directors may be made for the issuance of these certificates. Such certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 7. Effect of Nonpayment of Assessment: The Personal Obligation; the Lien; Remedies of the Association.

(a) If an assessment is not paid on or before the date when due then such assessment shall become delinquent and shall, together with such interest thereon and the costs of the collection thereof, thereupon become a continuing lien on the delinquent member's property which shall bind such property in the hands of the then owner, his heirs, designees, personal representatives, successors and assigns. In addition to the lien rights, the personal obligation of the then owner to pay such assessments shall remain his personal obligation and shall also pass to his successors in title. Such owners shall nevertheless remain as fully obligated as before to pay to the Association any and all amounts which he was obligated to pay immediately preceding the transfer; and such owner and such successors in title shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such owners and successors in title creating any indemnification of the owner or any relationship of principal and surety as between themselves.

(b) If an assessment is not paid within thirty (30) days after the due date, such assessment shall bear interest from the date of the delinquency at the lesser of the highest rate permitted by law or ten percent (10%) per annum, and the Association may bring legal action against the owner personally obligated to pay the same or foreclose its lien against such owner's property, in which event, interest, costs, and attorney's fees equal to fifteen percent (15%) of the principal amount shall be added to the amount of such assessment as may then be due. Each owner, by acceptance of a deed or other conveyance of his or her property, invests in the Association or its agents the right and power to bring all actions against him or her personally for the collection of such charges as a debt and to foreclose the aforesaid lien in an appropriate proceeding in a court of law or of equity. The lien provided for in this Article 5 shall be in favor of the Association and shall be for the benefit of all other members. The Association, acting on behalf of the other members, shall have the power to bid in the owner's property at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same. No member may waive or otherwise escape liability for the assessment provided for herein by nonuse of the Common Area and facilities. The Association shall not waive any liens or rights it may have against any member without the approval of holders of one hundred percent (100%) of the votes of those then entitled to vote all classes of membership.

(c) If the assessment is not paid within sixty (60) days after the due date, the Association may also suspend the membership rights of the delinquent member, including the right to vote, the right of enjoyment in and to the Common Area and facilities and the right to receive and enjoy such services and other benefits as may then be provided by the Association. Any such suspension shall not affect such member's obligation to pay assessments coming due during the period of such suspension and shall not affect the permanent charge and lien on such member's property in favor of the Association.

Section 8. Subordination of Charges and Liens to Mortgages.

(a) The liens and permanent charges of all assessments and charges authorized herein (annual, special or otherwise) with respect to any restricted property is hereby made subordinate to the lien of any first mortgage placed on such property if, but only if, all assessments and charges with respect to such property authorized herein having a due date on or prior to the date of the mortgage as filed of record have been paid. The liens and permanent charges hereby subordinated are only such liens or charges as relate to assessments and charges authorized hereunder having a due date subsequent to the date such mortgage is filed of record and prior the satisfaction, cancellation or foreclosure of such mortgage or the sale or transfer of the mortgaged property pursuant to any proceeding in lieu of foreclosure or the sale or transfer of the mortgaged property pursuant to a sale under power contained in such mortgage.

(b) Such subordination is merely a subordination and shall not relieve the owner of the mortgaged property of his personal obligation to pay all assessments and charges coming due at any time when he is the owner of such property; - shall not relieve such property from the liens and permanent charges provided for herein (except to the extent a subordinated lien or

permanent charge is extinguished as a result of such subordination as against a mortgagee or such mortgagee's assignee or transferee by foreclosure or by sale under power); and no sale or transfer of such property to the mortgagee or to any other person pursuant to a decree of foreclosure, or pursuant to any other proceeding in lieu of foreclosure or pursuant to a sale under power, shall relieve any existing or previous owner of such property of any personal obligation or relieve such property or the then owner of such property from liability for any assessment or charges authorized hereunder becoming due after such sale and transfer.

ARTICLE 6

Any maintenance agreement which is to be entered into, after approval by a majority of the Board of Directors, shall provide for the compensation to be paid, the term thereof, which shall not exceed one year, and the manner in which and the terms upon which such agreement may be terminated, which shall include the right of termination ten (10) days after two-thirds (2/3) of the members then entitled to vote, affirmatively vote to so terminate such contract at any time after the Class A members are entitled to the full voting privileges in accordance with Article 3.

Section 3. Limitations of Liability; Indemnification.

Notwithstanding the duties of the Association to maintain and operate the Common Area and facilities and the Entrance Areas, the Association shall not be liable for injury or damage caused by the latent condition of the Common Area nor for injury caused by the elements, members or other persons; nor shall any officer or director of the Association be liable to any person for injury or damage by such officer or director in performance of the duties hereunder unless due to willful misfeasance or malfeasance or gross negligence of such officer or director. Each officer and director of the Association shall be indemnified by the members against all

expenses and liabilities, including attorney's fees, reasonably incurred or imposed upon him in connection with any proceeding to which he may be a party or in which he may become involved by reason of his being or having been an officer or director of the Association, and any settlement, whether or not he is an officer or director of the Association at the time such expenses and liabilities are incurred, except in such cases where the officer and director are adjudged guilty of willful misfeasance or malfeasance or gross negligence in the performance of his duties; provided that in the event of a settlement, the indemnification shall apply only when the Board of Directors and the Association approves of such settlement and reimbursement as being for and in the best interest of the Association.
