

## **GENESIS 1 AND TWO** My Opinion Starting with Genesis 1:2

1. Made day. - And the evening and the morning were the *first day*
2. Divided waters from Heaven. - And the evening and the morning were the *second day*.
3. Divided land and waters. - And the evening and the morning were the *third day*.
4. Made the Sun, Moon and stars. - And the evening and the morning were the *fourth day*.
5. Made every living creature and birds. - And the evening and the morning were the *fifth day*.
6. Made the beast and male and female. - And the evening and the morning were the *sixth day*.

## **Genesis 2** (beginning of the *seventh day*)

2:1 Thus the heavens and the earth **were finished**, and all the host of them.

2 And on the seventh day God ended his work which he had made; and he rested on the seventh day from all his work which he had made.

3 And God blessed the seventh day, and sanctified it: because that in it he had rested from all his work which God created and made.

4 These are the generations of the heavens and of the earth when they were created, in the day that the LORD God made the earth and the heavens,

5 And every plant of the field before it was in the earth, and every herb of the field before it grew: **for the LORD God had not caused it to rain upon the earth, and there was not a man to till the ground.**

6 But there went up a mist from the earth, and watered the whole face of the ground.

7 And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.

8 And the LORD God planted a garden eastward in Eden; and there he put the man whom he had formed.

9 And out of the ground made the LORD God to grow every tree that is pleasant to the sight, and good for food; the tree of life also in the midst of the garden, and the tree of knowledge of good and evil.

10 And a river went out of Eden to water the garden; and from thence it was parted, and became into four heads.

11 The name of the first is Pison: that is it which compasseth the whole land of Havilah, where there is gold;

12 And the gold of that land is good: there is bdellium and the onyx stone.

13 And the name of the second river is Gihon: the same is it that compasseth the whole land of Ethiopia.

14 And the name of the third river is Hiddekel: that is it which goeth toward the east of Assyria. And the fourth river is Euphrates.

15 And the LORD God took the man, and put him into the garden of Eden to dress it and to keep it.

16 And the LORD God commanded the man, saying, Of every tree of the garden thou mayest freely eat:

17 But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die.

18 And the LORD God said, It is not good that the man should be alone; I will make him an help meet for him.

19 And out of the ground the LORD God formed every beast of the field, and every fowl of the air; and brought

them unto Adam to see what he would call them: and whatsoever Adam called every living creature, that was the name thereof. (In the garden)

20 And Adam gave names to all cattle, and to the fowl of the air, and to every beast of the field; but for Adam there was not found an help meet for him. (In the garden)

21 And the LORD God caused a deep sleep to fall upon Adam and he slept: and he took one of his ribs, and closed up the flesh instead thereof;

22 And the rib, which the LORD God had taken from man, made he a woman, and brought her unto the man.

23 And Adam said, This is now bone of my bones, and flesh of my flesh: she shall be called Woman, because she was taken out of Man.

24 Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh.

25 And they were both naked, the man and his wife, and were not ashamed.

---

#### My Opinion

- Each day was 7,000 solar years long.
- We are almost 6,000 years into the seventh day.
- At the end of the 6,000 years the start of the 1,000 year millennium.
- At the end of the 1,000 years will constitute the 7,000 years of the seventh day.
- All of the days add up to 49,000 years and Jesus Christ presents a prefect society to His Father (Jubilee)

---

#### Problem with my time line

- This time line fits if all of the skeletons found where no more than 13,000 years and before 50,000 years (7,000 in the sixth day and 6,000 years so far in the 7<sup>th</sup> day).

- Many skeletons found in the past few years are much older than 13,000 years but under 50,000 years.
- Over 50,000 years would be before the account in the Bible.
- There have several skeletons found in North America between 15,000 and 17,000 years.
- This could be an explanation for the first 6 days being of different lengths.
- Below is another time line. However I still hold the length of the 7<sup>th</sup> day.

# Genesis 1 Creation Days

Creation singularity (~13.7 billion)

The following creation timeline reflects an integrative approach to biblical interpretation known as "concordism", belief that the facts of nature, as discovered by scientific investigation, will be discernibly consistent with Scriptural statements about the natural realm. This interpretive approach, like any other, involves certain assumptions about both science and Scripture, and is like any other human endeavor, subject to imperfection and imprecision. Typically the sequence of events is known with more precision than the timing of specific events in the creation scenario. As new evidence emerges, date estimates may be revised.

~ = approximately  
 mya = millions of years ago  
 bya = billions of years ago

\*\*\* All dates are approximate, subject to change, and reflect the best established evidence
